ALL INDUCTION COMPATIBLE PRESSURE COOKERS ON THIS COLOUR BACKGROUND

THE WIDEST RANGE OF COOKWARE FOR ALL YOUR COOKING NEEDS

The designers of Hawkins and Futura Cookware have spared no effort to provide you with the best possible cooking experience.

Each Futura or Hawkins pot or pan is made from heavy gauge, commercially pure metal for even heat dispersion and steady heat retention. Some pots or pans are also given a technologically advanced surface coating. The end result in all cases is a superb cooking surface.

Sturdy, comfortable, stay-cool handles form part of the majority of our Cookware using the finest materials in stainless steel, rosewood, silicone or plastic. The handles stay fixed permanently. Where required, the cookware comes with custom-designed lids either included in the product or as an option at extra cost. The lids are made of stainless steel, hard anodised aluminium, or glass.

We have a wide range of pots and pans to meet each of your different cooking needs. Each Cookware item is designed for the purpose for which it is made and tried out thoroughly in the Hawkins Test Kitchen before the designs and specifications are approved. Each piece is manufactured carefully and subjected to strict quality control. Each piece is individually packed in a strong, attractive carton designed for protection in transit and sales appeal. An Instruction Manual with tested recipes comes free in each cookware carton (except Tadka Pans and *EZEE-POUR*® Saucepans).

Our Cookware is presented in seven types of material – Tri-Ply Stainless Steel, Stainless Steel Sandwich Bottom, Cast Iron, Ceramic Nonstick, Nonstick, Hard Anodised and Pressure Die-Cast Aluminium. Choose with confidence from the varieties showcased in this pricelist.

Futura and Hawkins Cookware are designed, manufactured and/or marketed by Hawkins Cookers Limited, manufacturers of the world-famous Hawkins and Futura Pressure Cookers.

MRP = MAXIMUM RETAIL PRICE PER UNIT INCLUSIVE OF ALL TAXES IN INDIAN RUPEES

HAWKINS PRO TRI-PLY STAINLESS STEEL

The Hawkins Pro Cookware Range is designed for regular rigorous use as in professional kitchens. With extra-thick metal and stainless steel stay-cool handles attached with sturdy rivets that will not loosen. Now, not only can you follow the recipes of professional chefs, but also get results which are as good — with the **Hawkins Pro.** Guaranteed for 5 years.

HARD ANODISED TADKA PANS (SPICE HEATING PANS)

- The Tadka Pan is designed for preparing *tadka*, quick heating of flavourful spices
- Useful for melting butter or reheating small quantities of food as well
- Safe design – ensures 100% Attention

CAPACITY CUPS/ml, & THICKNESS (mm)	PRODUCT CODE	MRP (₹)	CASE PACK
1 CUP/240 ml, 3.25 mm	ATP 1	425	36
2 CUPS/480 ml, 3.25 mm	ATP 2	525	18

NONSTICK ALL PURPOSE PANS

- The nonstick All-Purpose Pan has a large flat base with deep walls which make it perfect for frying, deep-frying, sautéing and stewing a variety of foods. The generous curved radius at the base is useful when cooking foods that require a lot of stirring
- The Snug-fit Dome-shaped lid is suitable for simmering and for cooking large whole foods such as whole chicken or cauliflower

FUTURA CAST IRON

Cast Iron is made from iron heated to over 1200 degrees centigrade, with many wonderful properties for cooking

- Retains heat well, easy to cook in. Certain foods will brown better, cook faster and crispier, and cook more evenly inside and out
- No coating – Naturally Nonstick, healthy, tasty, crispy food
- Pre-seasoned with vegetable oil – Will not rust with regular care
- The more you use it, the better it gets! The cast iron pan surface gets seasoned with more use, becoming smoother and better for cooking
- Rough and tough – Can use high heat, metal ladles
- Versatile – It may be used on gas, induction cooktops, in the oven, on a grill or a *chulha*.
