To
All Hawkins Dealers

Dear Sirs,

HAWKINS DEALER CONFERENCES 2029

1. As you may know, it is our tradition to meet our regular dealers in Conferences once every two years for business discussions, training and exposure in our mutual interest. In order to ensure that the discussions are relevant and most useful to each category of our dealers attending a particular conference, we propose to send invitations for various Conferences in 2029 to dealers in broadly similar categories of the volume of business transacted with us. For this purpose, we shall consider dealers' purchases in each of four six-monthly periods starting in October 2026 and concluding in September 2028.
2. For each type of Conference, we have a different minimum level of purchases required in each six-monthly period for a dealership to qualify to attend the Conference, as is given in the table herein below:

Type of Conference	Minimum Purchases (in MRP Rs. Lakhs) by a Dealership in Each Six-Monthly Period for each delegate	Number of Invitation(s)			
		One	Two	Three	Four
Top Foreign	50	√	√	√	√
Second Foreign	25	√	√	√	-
All-India	10	√	√	-	-
Zonal	5	√	√	-	-
Regional	2	√	-	-	-

The maximum possible numbers of delegates for different types of Conferences are different because the manpower needed for management of business varies as per the size and the complexity of business.

3. We wish to clarify that dealers' purchases, during the period October 1, 2026 to September 30, 2028, will be considered in MRP Rs. value of all our Pressure Cookers, Cookware, Kitchen Electricals, Gas Stoves, Kitchen Tools, Miniature Products and/or Spare Parts put together.
4. We are pleased to advise you that dealers can qualify for:
 - 4.1. One delegate for the Regional Conference; or
 - 4.2. One or two delegates for the Zonal or All India Conference; or
 - 4.3. One, two or three delegates for the Second Foreign Conference; or
 - 4.4. One, two, three or four delegates for the Top Foreign Conference.

In case a dealership wishes to qualify for two or three or four delegates for any of the said Conferences, the dealership will have to purchase twice, thrice or four times respectively of the turnover that has been stated in the table herein above for the respective Conference.

5. We shall be pleased to provide hotel accommodation and meals to all our invitees for these Conferences. Further, we shall be pleased to reimburse the travel expenses as follows:
- 5.1. For Regional Conferences, 3-Tier AC Sleeper Class rail fare on a standard basis from dealer's town/the nearest railway station.
 - 5.2. For Zonal Conferences, 2-Tier AC Sleeper Class rail fare on a standard basis from dealer's town/the nearest railway station.
 - 5.3. For All India Conference, airfare on a standard basis from the nearest airport from dealer's town, if the rail journey is scheduled for more than 6 hours. If the rail journey is scheduled for less than 6 hours, 2-Tier AC Sleeper Class rail fare on a standard basis from dealer's town/the nearest railway station.
 - 5.4. For the Conferences to be held abroad, airfare on a standard basis from the nearest airport from dealer's town to the departure gateway in India, if the rail journey is scheduled for more than 4 hours. If the rail journey is scheduled for less than 4 hours, 2-Tier AC Sleeper Class rail fare on a standard basis from dealer's town/the nearest railway station to the departure gateway in India. We shall be pleased to arrange for international air travel for all our invitees to the Conferences to be held abroad.
6. All purchases of our products will be counted for the purpose of Conference qualification only on the basis of actual despatches to dealers in each relevant period. In case full advance orders are placed 10 days before the end of a six-monthly period and if such orders are despatched in the next six-monthly period, such despatches will be counted in the six-monthly period in which such full advance orders were placed and not counted in the period when the actual despatches took place. It is clarified that purchases during any six-monthly period in excess of the minimum required in that period for any particular conference may be carried forward and credited to the immediately following six-monthly period but not thereafter. It is further clarified that, for a dealer to carry forward any purchases from one period to another, he must exceed the requirement of that six-monthly period through purchases in the same period and only the purchases in excess of that period's requirement (without counting any carry forward from a previous period) can be carried forward to the next period.
7. A dealership and its delegates may attend only one Conference. In the case of a single delegate from any dealership, it is essential that the delegate must be the proprietor, karta, managing partner or whole time manager substantially involved in our business. In the case of two or more delegates from a dealership, it is essential for one of the delegates to be as described above and the other delegate(s) may be person(s) involved in our business including a spouse or child. It is clarified that the spouse or child have to be involved in the business and be above 18 years. In any case, the acceptance of any proposed delegate(s) is subject to our approval, for which the necessary information has to be provided to us by the dealer as and when required by us. The delegate(s) must be fit enough and ready to take part in the Study Tour, which may involve visiting other dealer(s), showroom(s), retail outlet(s), warehouse(s) and market(s) in the areas being visited which are relevant to our business.
8. Though we shall provide assistance to the extent possible, the responsibility for obtaining the necessary travel documents like Passport, Visa for any conference held abroad shall be that of the dealer delegate(s).
9. Dealers with any overdue outstanding on the date of invitation or travel shall not be invited to attend any Conference. Any dealer who is not a relationship dealer or not dealing with us regularly at the time of invitation will not be invited to the conference.

In case the Company is unable to hold the Conference due to any reason, no compensation will be payable by us. This conference is not a trade incentive scheme for past performance. The conference is intended to discuss various aspects of the business and sharing with the dealers best practices amongst their peers and exposing them to examples of good retail and wholesale practices in India and abroad in order to increase our mutual sales, efficiency and profitability going forward.
15. Please note that these Conferences are intended only for dealers who have been regularly transacting with us and continue to do so. In other words, you may not be invited to the Conference even if you qualify unless you continue to deal regularly with us at similar levels of business when the Conference is held, as the main purpose of the Conference is to discuss mutual business and growth prospects.
