THE HAWKINS WALL AGREEMENT

1. Hawkins shall arrange to install at its cost ‘The Hawkins Wall’ within my shop premises located at _____, at a prime position and of a size and design mutually agreed with Hawkins.
2. We undertake that only products of Hawkins shall be placed or displayed on the Hawkins Wall. Hawkins can from time to time change the display requirements as per its planogram, which will be implemented within a period of 30 days. No products or merchandising or obstruction of any kind shall be placed in front of this display unit, so as to obscure the view either partly or fully or stop prospective customers from reaching the display unit.
3. Any and all normal repairs or maintenance charges will be promptly undertaken by us at our cost. The lights of the Hawkins Wall will be kept on during all hours that our shop remains open, night and day. The repair of lights and the energy cost will be to our account.
4. This Agreement is subject to the terms and conditions of the Hawkins Authorised dealer Agreement executed between Hawkins and us. In the event that we cease to be an authorised dealer of Hawkins for any reason whatsoever, we shall refund the incurred cost of said wall to Hawkins, either by way of cash or Hawkins can recover the amount, as per the amortization schedule. The amortization schedule (for repayment purpose) is as follows: 1st year 100% of the cost, 2nd year 75% of the cost and 3rd year 50% of the cost incurred will be returnable to Hawkins. The Wall shall be maintained by us as per the terms and conditions of this agreement and as per the relevant clauses of our Authorised Dealer Agreement. If the Wall is not maintained as per this agreement, Hawkins is entitled to forfeit any incentive and deposit payable to us as per the said agreement in addition to the applicable recoverable amount, as per the amortization schedule.
5. The Hawkins Wall shall remain the property of Hawkins Cookers Limited at all times. The Company has the option to review its display and maintenance from time to time, and to take it back at any time for any violation of the terms, or without assigning any reason whatsoever.
6. As a special case, after a period of 3 years, if we so desire, we can opt out of the Hawkins Wall GAPP Incentive plan and pay to Hawkins 50% of the cost incurred and repurpose the wall as desired by us. Otherwise, we can continue to use the wall as per its design. If repurposed and/or we are displaying any products other than those of Hawkins on the wall, we will ensure the removal of Hawkins signage.
7. Hawkins Cookers Limited is entitled to recover from us any costs (including repair or replacement) if the Hawkins Wall is damaged, misused, misplaced or destroyed.

I confirm my acceptance of
